

Earth Day 2023

Find somewhere to sit and mark **X** on the map.

Highlight the different buildings and areas around campus, what are they used for and by who – both nature and people.

What wildlife can you find?

Re-imagine campus with sustainable improvements!
Draw and write about it here:

How could we use this space differently or better?

What features could be added that would benefit nature and our community?

Did you know we won a
**Hedgehog Friendly
Campus Silver Award**
in 2022-23?

Draw a home for them on
the map.
